

Spanish Semester Plan

Spring Semester 2017 - HTHI (UPDATED)

We are going to be learning and refining our Spanish through various projects throughout the semester, both big and small. Two of the “big” projects we’re going to work, what the students will produce, and the time frames on are as follows:

1. Latin America Capital

Product: Design, paint, and cut a sign for a Latin American capital that captures the city’s essence.

Tentative Time Frame: February

2. Votive Candle - Black in Latin America

Product: Design and create your own Votive Candle for a historically significant Hispanic person of African descent.

Tentative Time Frame: March/April

*NOTE: Rafael will be on Paternity Leave from May 10 - June 22 (end of school year)
